## **About *Pharmacy Purchasing Outlook*, the official member-publication of NPPA**

*Pharmacy Purchasing Outlook* was introduced by Summerdale Enterprises Inc. (the parent company and founder of NPPA) in March of 1994, as an independent publication dedicated to the issues and news affecting pharmaceutical purchasing agents, their supervisors and group contracting executives. 10 editions a year are published (with 2 months of the year combined together as 1, for January/February & August/September).

In January 2010, Summerdale formed the National Pharmacy Purchasing Association (NPPA), the first association specific to Pharmacy Buyers, with *Pharmacy Purchasing Outlook (PPO)* being the official publication for NPPA members.

Average Circulation: 500 institutional pharmacy buyers and purchasing group contractors, and 150 drug company representatives. Issues are distributed via First Class Mail, by the end of the first week of the month after the publication issue month.

In addition, NPPA conducts Annual Conferences in Las Vegas every summer (normally in mid-August). Ask for information or see our website for information & details on how to become an Exhibitor/Sponsor of this important event, where **all** the attendees are Pharmacy Buyers and Group Purchasing Executives. Between 8-10 ACPE-accredited CE units for Technicians & Pharmacists comes with the educational sessions.
