About *Pharmacy Purchasing Outlook (PPO)*
The official member-publication of NPPA

Pharmacy Purchasing Outlook was introduced by Summerdale Enterprises Inc. (the parent company and founder of NPPA) in March of 1994, as an independent publication dedicated to the issues and news affecting pharmaceutical purchasing agents, their supervisors and group contracting executives. Six (6) editions a year are published, as follows: January/February/March, April, May/June, July/August/September, October/November, and December.

In January 2010, Summerdale formed the National Pharmacy Purchasing Association (NPPA), the first association specific to Pharmacy Buyers, with *Pharmacy Purchasing Outlook (PPO)* being the official publication for NPPA members.

Average Circulation: 400 institutional pharmacy buyers & group purchasing organization (GPO) contractors, as well as some drug company representatives. Digital issues of *PPO* are distributed via email in the third week of the month after the publication issue month (within one week after the hard copy edition is distributed by U.S. mail).

In addition, NPPA conducts Annual Conferences in Las Vegas every summer (normally in mid-August). Ask for information or see our website for information & details on how to become an Exhibitor/Sponsor of this important event, where **all** the attendees are Pharmacy Buyers and Group Purchasing Executives. Between 8-10 ACPE-accredited CE units for Technicians & Pharmacists comes with the educational sessions.

See the NPPA website for details: www.PharmacyPurchasing.com.
