

28th Annual 2025 NPPA Conference

Exhibitor Prospectus – Booths, Sponsorships & Promotional Opps

The Annual NPPA Conference offers your company the chance to meet with hundreds of pharmacy professionals from across the country who are key purchasing decision-makers in their pharmacies (mainly from institutional settings of hospitals, medical centers, health systems, clinics); as well as executives from the leading GPO companies who negotiate the drug contracts for health systems.

Present your products & services in our Exhibit Hall, held on 2 days for 3 hours *each* day—and split into 2 timeslots of 90 minutes each, between attendee lectures and meals (as of this 2025 year).

Also new—add a rep to join in our **Exhibitor Lunch with Pharmacy-Attendees** on either or both of the two exhibit days, for additional time to meet with attendees in a more social setting.

There are also a variety of other Sponsorships & Promotions offered to enhance your booth package.

Exhibitors continue to tell us this is the best pharmacy convention they attend all year!

Comments From Past Attendees

- "We need to get most or all, of our Buyers to attend NPPA's worthwhile Conference." (By David Billing, MS, R.Ph., Pharmacy Director of DePaul Medical Center in Bridgeton, MO, part of the SSM Healthcare system.)
- "I thoroughly enjoyed the NPPA Conference. The topics and speakers were very helpful and verall presentations were great. I am truly amazed at the amount of knowledge I have received in the past 3 days. The exhibitor displays are a lot of fun as well. Thanks for making this possible and hopefully I will be able to attend next year!"
- "This is my second year attending. As with the year before, I truly enjoyed it. It was very informative and interesting. I hope to return in the following years."
- "I really learned a lot. I will take what I have learned back to my hospital and apply it to my job."
- "I have been a pharmacy buyer for 26 years and never had come to the NPPA Conference before this, but I will never miss it again. The CE program had an excellent variety of issues and topics. There was also great representation by suppliers—I got the chance to meet and talk to lots of them during the exhibitor display times."
- "I feel that every Buyer should have the opportunity to attend this yearly convention hosted by NPPA."
