#### NPPA Member Testimonials

Wow! As a long-time member and conference attendee, NPPA has been very helpful to me and my job position, even from the start. They have been a great resource for product information as well as networking with other pharmacy buyers. After my first NPPA Conference, I felt much better knowing I was not alone in my quest to manage product shortages and backorders. I have even been able to keep in contact with some of the other buyer-attendees I meet at the event. We talk about how we handle issues that come up on the job, and try to help solve each other's problem. In addition, the NPPA member-publication *Pharmacy Purchasing Outlook*, is informative and discusses topics that pertain to buyers."

Jeffrey Brown, CPhT, Pharmacy Buyer  
Carolinas Hospital System-Marion, Mullins, SC

"The NPPA Conference provides so very much for us buyers. Each year I come home with my head swimming from all the changes I can see making for our Pharmacy."

Bobbi Holthaus, CPhT, Pharmacy Buyer  
Wilson Memorial Hospital, Sidney, OH

*No national pharmacy organization we know of fully recognizes the crucial importance of pharmacy purchasing. However, NPPA asserts that pharmacy purchasing is the most important specialty in Pharmacy. We invite you to join your fellow buyer colleagues in NPPA, and help us participate in the progress of this important field.*

**"Pharmacy purchasing is a profession that has for too long been ignored. We are out to change that."**

Dale J. Kroll, Founder of NPPA
