Testimonials on Membership & Conference

“Wow! As a long-time member and conference attendee, NPPA has been very helpful to me and my job position, even from the start. They have been a great resource for product information as well as networking with other pharmacy buyers. After my first NPPA Conference, I felt much better knowing I was not alone in my quest to manage product shortages and backorders. I have even been able to keep in contact with some of the other buyer-attendees I meet at the event. We talk about how we handle issues that come up on the job, and try to help solve each other's problem. In addition, the NPPA member-publication *Pharmacy Purchasing Outlook*, is informative and discusses topics that pertain to buyers.”

Jeffrey Brown, CPhT, Pharmacy Buyer
Carolinas Hospital System-Marion, Mullins, SC

“The NPPA Conference provides so very much for us buyers. Each year I come home with my head swimming from all the changes I can see making for our Pharmacy.”

Bobbi Holthaus, CPhT, Pharmacy Buyer
Wilson Memorial Hospital, Sidney, OH

No national pharmacy organization we know of fully recognizes the crucial importance of pharmacy purchasing. However, NPPA asserts that pharmacy purchasing is the most important specialty in Pharmacy. We invite you to join your fellow buyer colleagues in NPPA, and help us participate in the progress of this important field.

“Pharmacy purchasing is a profession that has for too long been ignored. We are out to change that.”

Comments From Past Attendees

"We need to get most or all, of our Pharmacy Buyers to attend NPPA's worthwhile Annual Conference."

-David Billing, MS, R.Ph., Pharmacy Director, DePaul Medical Center/SSM Health, Bridgeton, MO

"Each year I have attended the NPPA Conference, I get new information with regard to changes in law affecting Pharmacy, safe professional practices, and different issues that can affect supply chain. The opportunity to meet and network with other buyers and to share our different processes is very valuable to help possible improvement in my day to day."

-Lucia Tafoya, Pharmacy Buyer, St. Mary Medical Center/Dignity Health, Long Beach, CA

"Not only is your NPPA Conference the smoothest event I have ever attended, but the knowledge and networking I was able to do was worth its weight in gold. Sometimes working in a small hospital, you feel alone in your day to day tasks, so it was very nice and incredibly helpful to meet other professionals to exchange struggles and solutions. I will be advocating with our hospital for us to attend your event again next year. I have also now submitted a request for an NPPA membership, since after this event we saw the benefits of joining."

-Megan Marquissee, MS, CPhT, Pharmacy Business Manager
North Country Hospital Pharmacy, Newport, VT
