

28th Annual NPPA Conference - September 29-October 2, 2025
Registration for Pharmacy & GPO Attendees
Policies, Fees & Deadlines (page 1 of 4)

Here are the detailed policies for attendee registration to the 28th Annual 2025 NPPA Conference, this September 29 to October 2 at Horseshoe Las Vegas hotel in Nevada. The National Pharmacy Purchasing Association (NPPA) focuses on the pharmacy buyer.

Save or print this information as needed for reference, to get advance approval to attend from your supervisor or facility, or to include in paperwork for your facility's accounts payable department with your registration invoice. Note if you've requested to be billed on a facility Purchase Order (PO), your accounts payable dept. need to be aware of the increased pricing after our early-bird expiration date and other payment deadlines.

To start the registration process, visit the NPPA web page below:

REGISTRATION FEES & DEADLINES

Early-Bird Deadline – June 30

After this date (June 30, 2025), all registration fees will *increase* by \$40—including if you've already submitted a registration on a PO or check in process, but your payment has not been received at the NPPA offices by that date. Even if you still have a PO open with pending payment at the early-bird rate, the higher registration fee will then be due if not received before the early-bird deadline.

Early-Bird Registration Fee Options (expires after June 30, 2025)

- \$400.00 - Current NPPA Pharmacy & GPO Members
- \$500.00 - Non-NPPA Member Registration
- \$490.00 - Add a new Membership with my Registration (*includes **BOTH** the Registration Fee and a new NPPA Membership, saving you \$10*)

Regular Registration Fee Options (July 1 through 7:00pm PST on September 26, 2025)

- \$440.00 - Current NPPA Pharmacy & GPO Members
- \$540.00 - Non-NPPA Member Registration
- \$530.00 - Add a new Membership with my Registration (*includes **BOTH** the Registration Fee and a new NPPA Membership, saving you \$10*)

After Pre-Reg Deadline September 26—Onsite Registration *ONLY* (additional \$20)

After the final September 26 deadline to pre-register and pay in full, online registration will no longer be available, instead you will ***need to register onsite*** in Las Vegas, at the NPPA Attendee Check-In Desks in our meeting space at the hotel. At that time, an additional **\$20 onsite fee** will be due in addition to your applicable registration fee.

However, we still ask that you ***first contact NPPA before our final pre-registration*** date of September 26, to alert us to expect you onsite so that we can account for our final numbers with the hotel for set-up & meals as best possible before you arrive. If you are already registered but have not yet paid your Outstanding Invoice/PO due, see section below on “Outstanding Payments”.

Status of NPPA Membership with Discounted NPPA Member-Registration Fee

After a new registration has been submitted, the NPPA staff will review the fee you’ve chosen along with your current NPPA membership status, to confirm it is either new or will remain current through September 2025 (the conference month), to qualify for the lower member-registration fee. If membership needs to be added or renewed, NPPA will contact you with options to fully complete your registration.

Additional Discounts Available for Attendee Registration (Coupon Codes)

The following discounts *may be* applicable for your attendee registration fee—however, you will first need to contact the NPPA office to check your eligibility for these discounts before completing your registration. If you think you may be eligible for one of these discounts and have already started the registration process, please choose “Save & Continue Later” before completing it all and reach out to NPPA from there. Once confirmed, NPPA will provide you with the discount to apply when on the Payment page, the final part of the registration process, where you’ll see an option to add a “Coupon Code”.

- 1) **The 2nd Attendee** to register from a *single facility address* is eligible for a discount of **\$10.00** (*only for the 2nd Attendee*). Contact NPPA to confirm your status and get the appropriate code.
- 2) **Participating GPO Companies** may be entitled to additional discounts for their company’s executives, based on their current & previous year’s agreement and participation with NPPA. For details, check with your company’s main contact, or NPPA directly.

Speakers & Scholarship Awardees

If you are a potential or confirmed speaker or have officially been awarded one of our Scholarships for your registration fee, please save your registration before choosing a payment option by using the “Save & Continue Later” button during the process and contact the NPPA office for assistance from there.

BILLING & PAYMENTS

Purchase Orders:

- **Paying with a Purchase Order (PO)** for an NPPA attendee registration fee implies intent to pay in full. If you requested to pay on a PO before our early-bird deadline of June 3 and your payment has not been received at the NPPA offices or paid by credit card in your online registration account by that date (when the Registration Fee increases), a newly updated invoice will be emailed that shows the new registration fee amount due (after the early-bird deadline).
- **After August 26, through Advance Registration Deadline:** PO’s will *no longer* be accepted. After August 26, all payments must be made either by credit card through the advance registration deadline of September 26 (see “Pre-Reg Deadline” section above); or by check if it is sure to arrive to the NPPA offices before September 24, when we will then be on our way to Las Vegas.

Outstanding Payments Due:

- **Payments by Check** (on PO or otherwise) must be received at the NPPA offices *no later than September 24*, so NPPA can provide the hotel with a confirmed attendee count for the provided meals and lecture hall seating, as well as for NPPA to be prepared with all registration materials.
- **Payments by Credit Card** may be made to your registration (through the link in your confirmation email), no later than **September 26** at 7:00pm Pacific Time. After this date, payments must be made *onsite in Vegas*, by either credit card or company/facility checks only (no personal checks). See more on onsite payments in “Pre-Reg Deadline” section above.
