Summary of Registration *(page 8 of 9)*

Please review this summary carefully before continuing to the Payment page. **After submitting payment, *do not make any changes before contacting NPPA*** (see contact info at bottom of this page).

If you are not ready to complete your registration or have any questions, select **Save & Continue Later** at the bottom of this form to receive an emailed link to continue where you left off.

Speakers & Scholarship Awardees: If you are a confirmed speaker or were awarded a scholarship that covers your registration fee, save the registration before submitting payment by selecting **Save & Continue Later** and then contact NPPA.

Discounts: If you are eligible for a discount, such as being a second attendee from the same facility or a participating GPO executive, add the applicable coupon code on the next Payment page. For help, either pause or select **Save & Continue Later *before*** submitting payment, then contact NPPA.

To see the coupon code in the summary, select **Back** on the Payment page after adding the code and ***before*** submitting payment.

To save your registration summary: Select and highlight the summary details below, **right-click** and choose **Print** to save as a PDF file (or print a hard copy). NPPA can also email your registration summary to you.

I would like to:

Create a new registration; this is my first visit for this event.
